

Dear Parent,

At your child's school there is currently a school health clinic operated by the University of Miami Department of Pediatrics which offers free health services to all students at **no cost to you**. By becoming a member of this clinic, your child can receive the following services:

- Physical exams such as new entry physicals, sports physicals, and sick visits
- Medication administration including over the counter medications
- Blood/Urine Tests
- Immunizations
- EKGs
- Management of chronic diseases
- Health screenings like vision, hearing, dental
- Mental Health and social services
- Nutrition Evaluation/counseling

There will be no charge to you.

If you are interested in your child receiving these services, please scan this QR or go to this website to complete a clinic consent form.
