Mobile Device Checkouts

Good evening Falcon Families,

This is principal Rodriguez with an important message. This is a reminder that we have started mobile device check out since last week. If you would like for your child to be issued a district owned mobile device, the policy/procedures are as follows:

- Purchase accident insurance for the school year. Please purchase insurance for HP laptops for the cost of \$30 using the links below: <https://innovationschoolchoice.com/mobile-devices>
- Complete the required digital **Mobile Device Agreement Form** using link below:
<https://dadeschools.jotform.com/251994902594975>
- Have your child provide printed proof of insurance/agreement to the main office **OR** you may forward this information via email to Ms. Pita at 344673@dadeschools.net
- Once we receive the required information, a laptop will be distributed to your child during school hours.

Please note we have a limited supply of mobile devices, please check out a device if you are truly in need. See attachments for your reference.

New Florida Law: What Families Need to Know

**HEADS

Starting July 1, a new Florida law limits student Wireless Communication Devices use during the instructional day.

This applies to all public schools - and yes, it affects M-DCPS students too.

Swipe to see what's changing by grade level.

This state policy is designed to help students stay engaged, reduce distractions, and improve academic outcomes.

We're committed to creating focused learning environments across all M-DCPS schools.

Students may not use or display Wireless Communication Devices during the instructional day.

Wireless Communication Devices must be silenced and stored out of sight.

Let's keep our focus on learning!
